CAREER OBJECTIVE

Computer Science graduate and MCA student seeking an entry-level role in IT where I can enhance my technical expertise and gain hands-on experience in real-world projects. Skilled in web development (HTML, CSS, JavaScript, PHP, MySQL) with practical exposure to AI through LLM evaluation and prompt engineering.

EDUCATION

Master of Computer Application (MCA) *2025 – 2027 (Expected)*
Sanjivani University, Kopargaon

Bachelor of Computer Science (BCS) *2022 – 2025*
Shri Saibaba College, Shirdi | CGPA: 8.76

HSC (Science) *2022*
Shri Saibaba Junior College, Shirdi | 51.83%

SSC *2020*
Shri Saibaba Kanya Vidya Mandir, Shirdi | 80.40%

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python
Web Development: HTML, CSS, JavaScript, PHP
Database: MySQL, PostgreSQL
Tools: Visual Studio Code, Sublime Text, XAMPP, Git & GitHub
AI / Other: Prompt Engineering, LLM Response Evaluation
Languages: Japanese, English, Marathi

EXPERIENCE

LLM Intern — Ethara AI (Remote) *3 Months*

- Evaluated responses of Large Language Models and tested AI outputs through prompt engineering.
- Analyzed model responses to improve accuracy and collaborated with the team on AI-related tasks.

PROJECTS

Blood Bank Management System — Website *Oct – Dec | Team Project*
Tech: HTML, CSS, JavaScript, PHP, MySQL, XAMPP

- Built a system to manage blood donation and storage details, recording donors, blood groups, stock and requests so hospitals and patients can find required blood easily.
- Digitized blood information to reduce manual errors and paperwork, provided real-time availability and connected donors and receivers efficiently.

BCS Books Management System — Website *May – Jun | Team Project*
Tech: HTML, CSS, JavaScript

- Developed a system to manage book records (title, author, subject, availability) where students, teachers and admin can add, view, update or delete entries.
- Made book management digital, saving time on manual record work and keeping data safe, organized and quickly searchable.

Personal Portfolio Website — Website *Personal Project*
Tech: HTML, CSS | Hosted on GitHub Pages

- Designed and deployed a responsive portfolio website showcasing education, projects, skills and resume.

CERTIFICATIONS

- Machine Learning — Stanford
- Artificial Intelligence (self-paced program) — Infosys Springboard

CO-CURRICULAR ACTIVITY

- Participated in a college-level competition on Frontend Development using AI.
